

## Hy-Lite DECORATIVE GLASS WINDOWS

*Hy-Lite® Decorative Glass Windows offer the classic beauty of beveled leaded glass in an energy-efficient window with a low maintenance frame. Our PrivateElegance™ models provide seclusion with high-opacity glass and privacy rating of 9-10.*

*Hy-Lite® Decorative Glass Windows are available in a wide variety of classic patterns and shapes to complement your home decor and window size needs. Hy-Lite® Oval and Octagon decorative windows add a touch of class to any space and provide added light and beauty. And we have made installation cost effective by providing preformed interior and exterior vinyl trim.*

Hy-Lite  
BRILLIANT IDEAS FOR HOME

## Hy-Lite ACRYLIC BLOCK WINDOWS

*Hy-Lite® prefabricated Acrylic Blocks open up new applications not possible from traditional glass block. If you're looking for an innovative way to bring light and privacy into the home, Hy-Lite Acrylic Blocks will breathe new life into your new construction or renovation project. Turn the page for a sampling of ideas for kitchen and bath.*

*Hy-Lite® Acrylic Blocks are 70% lighter than glass, allowing use in operable casement and awning windows, as well as exterior, interior and pantry doors. These unique blocks provide a perfect combination of light and privacy, while eliminating the need for window treatments.*
